May 15, 1928.

Honorable D. W. Hoan,

Mayor, City of Milwaukee,

Wisconsin.

Dear Sir:

The First Central Division Convention of the American Radio Relague will be held in Milwaukee at the Republican Hotel on Friday, Saturday and Sunday, May 25th, 26th and 27th, 1928, under the auspices of the Milwaukee Radio Amateurs' Club, Inc.

May we have the pleasure of having you with us during our Convention beginning with the Smoker on Friday May 25th, at 8 P. M., when we would be pleased to have you deliver an address of welcome, and continuing until the close.

We anticipate an attendance of 300 delegates from this Division which comprises thirteen states. These are men who are interested in radio, particularly the transmitting angle, as a hobby and are responsible for many of the improvements in the art particularly in their contributions to broadcasting, and short wave work where messages have been sent around the world with very low power.

Should there be any further information you desire, I will be pleased to have you call on me.

Yours very truly,

THE MILWAUKEE RADIO AMATEURS' CLUB, INC.,

FRANK J JUTRICH,
Convention Chairman.
